1. **Policy Statement** Vista Kuyumculuk is dedicated to carrying out its business activities in a manner that is environmentally responsible. We acknowledge the significance of environmental protection and the reduction of our ecological footprint. This Environmental Policy underscores our pledge to environmental stewardship and outlines our goals and guiding principles for minimizing our environmental impact.
2. **Compliance with Laws and Regulations** Vista Kuyumculuk pledges adherence to all relevant environmental laws, regulations, and standards in the regions we operate. We will continually assess and revise our processes to guarantee compliance and aim to surpass statutory requirements when feasible.
3. **Environmental Management System** Vista Kuyumculuk will develop and uphold an Environmental Management System (EMS) to proficiently manage our environmental footprint. The EMS will encompass:
 - a. **Environmental goals and benchmarks:** We will establish quantifiable goals and benchmarks to enhance our environmental performance and lessen our ecological impact.
 - b. **Risk evaluation and mitigation:** We will pinpoint and evaluate environmental risks tied to our operations and deploy suitable measures to mitigate and control those risks.
 - c. **Education and consciousness:** We will conduct training and awareness initiatives for our employees to ensure they comprehend their environmental duties and are prepared to support our environmental goals.
 - d. **Resource optimization:** We are committed to optimizing resource utilization, including energy, water, and materials, through efficient practices and technology.
 - e. **Waste management:** We will enforce strategies for waste reduction, recycling, and disposal that minimize our waste's environmental effects.
 - f. **Pollution prevention:** We will proactively work to prevent pollution through appropriate management, storage, and disposal of hazardous materials and implementing measures to reduce air and water pollution.
 - g. **Ongoing enhancement:** We will consistently monitor and assess our environmental performance, seeking continuous enhancement in our environmental management efforts.
4. **Sustainable Supply Chain** Vista Kuyumculuk will collaborate with our suppliers to foster sustainability throughout our supply chain. We will urge our suppliers to adopt eco-friendly practices and adhere to environmental regulations.
5. **Stakeholder Engagement and Communication** Vista Kuyumculuk commits to engaging with stakeholders and transparently communicating our environmental achievements. We will:
 - a. Consider stakeholder feedback on environmental issues and integrate their concerns and expectations.
 - b. Share our environmental policies, goals, and performance with employees, customers, suppliers, and the public.
 - c. Address inquiries and feedback about our environmental practices promptly and transparently.
6. **Monitoring and Reporting** Vista Kuyumculuk will implement monitoring and reporting systems to track our environmental progress. This includes:
 - a. Regular tracking and evaluation of key environmental Vistarics to gauge progress towards our goals and benchmarks.
 - b. Communicating our environmental progress to relevant parties, including through annual sustainability reports.
 - c. Performing regular internal audits to review compliance with this policy and pinpoint areas for improvement.
7. **Policy Review** This policy will undergo periodic reviews to ensure its continued relevance and effectiveness, considering the latest best practices, technological advancements, and regulatory changes.
